

EDITOR'S LOG: THE JOURNEY

“Success is a journey, not a destination. The doing is often more important than the outcome.”-Arthur Ashe
 The idea of sharing this journey of our department is what is depicted in our newsletter, ‘COMMERCIO 18’. All it takes is a spark. Intent. A vision. A goal. As nature intended, they never go about this journey alone. As they clear a fresh path, they are always in the company of friends, mentors and family encouraging us, guiding us, letting us make our mistakes in the hope that they learn from them. The support from various people has led to the success of each and every student whose achievements are included in this newsletter. Let the success and talent of various students is a motivation for each one of us. It’s their distinctive voices of success that compels us to move forward. They started to tell their stories with words but they needed the proper visuals to complete this chronicle. This Edition includes messages, reports, articles together with events organised by our department.
 It is indeed a pleasure for the P.G Department of Commerce to bring about the 2nd issue of our news letter ‘COMMERCIO 18’, which they hope that you will enjoy. They seize this opportunity to thank all those who have submitted their contributions for this Issue. The assistance and guidance of our teachers as well as the efforts put in by the team are highly appreciable.

II M.COM COLLEGE TOUR 2017

The students of II M.COM of St. Teresa’s College, Ernakulam had gone for their tour from the 5th of August 2017 to 9th of August 2017. The students were accompanied by the faculties of the department Ms. Mamatha Varier and Ms. Greetal K.H.

The students started their journey from the college around 9 pm. Their first destination was Wayanad. The main attraction in that spot was a soothing ride in the ‘Kottavanji’ (Boat). Then the girls went for site seeing which included seeing the beautiful waterfalls, the greenery and a lot of monkeys. Then, that afternoon they left to the next location- Yercand (Tamil Nadu) which was a very beautiful and serene place. A very calm, cool and silent place full of beautiful scenery. The stay was at a place called ‘Aishwarya Inn’. Then they left for peddle boating for almost half an hour. That was a very different experience. They then visited places called ‘lady’s seat’, ‘gent’s seat’, which were fully covered with greenery and was located in a very high altitude. They also got an opportunity to visit the rose gardens in Yercaud. Then, finally they headed towards the most attractive spot-The Waterfalls. There were 250 stairs to climb down and also they experienced a good attack by the monkeys.
