TERESIAN RESEARCH AND CONSULTANCY CELL (TRACC)

ST. TERESA'S COLLEGE

ANNUAL REPORT 2012

Teresian Research and Consultancy Cell (TRACC) of St. Teresa's College was formed in 2011 to coordinate and promote research activities of the institution. In its venture to achieve excellence in research, this year TRACC convened a National Conference for the Research guides and the faculty members who are pursuing research in various research centers of the Institution. The report of the conference is followed.

The TRACC organized a National Seminar on 5th December 2012.The main objective of the seminar was to bring all the research scholars of the college to a common platform and to promote research activities. All the research scholars of the college presented a brief summary of their work. Also the faculty members whowere awarded Ph D in the academic year 2011-2012 presented a summary of their research work.

The National Seminar was inaugurated by Dr. B S Ponmudiraj, the Regional coordinator of the NAAC (National Accreditationand Assessment Committee, Bangalore). He also delivered the Key Note Address on "IQAC as a Means of Quality Enhancement"

The inaugural session was followed by two Technical sessions. In the first technical session a talk on "Digital Information for Teaching and Research " was delivered by Mr V K Anilkumar(The Fomer information & Documentation Officer,Centre for Development Studies, Thiruvananthapuram). During the afternoon session the research scholars of the institution and the faculty members who are awarded Ph.D in the academic year presented their research work.

The organizing Committee (TRAACC) included the following members
