

TERESIAN RESEARCH AND CONSULTANCY CELL (TRACC)
ST. TERESA'S COLLEGE
ANNUAL REPORT 2013

TRACC convened a National Conference for the Research guides and the faculty members who are pursuing research in various research centers of the Institution. The report of the conference is given below

National Conference on 'Modern Trends in Research – 2013'

TRACC organized a National conference on 'Modern Trends in Research – 2013' on 10 December 2013 in the college seminar hall. The conference was inaugurated by Dr. K. S. Kumari, Professor of Food Science and Technology and Principal, Community College, Pondicherry University. She delivered the keynote address on the topic 'New knowledge generation in Academic Research'. Dr. Sr. Teresa, principal welcomed the gathering and Dr. Sr. Vinitha, Faculty, Department of English proposed the vote of thanks.

In the plenary session that followed, Dr. P. P. Raveendran, Professor of English, School of Letters, M. G. University, Kottayam delivered a talk on 'Interdisciplinary research.'

TRACC also took initiative in recognizing the achievements of research scholars of various departments of the college. The research scholars of the college who have been awarded Ph. D. degree in the last three years were felicitated in the function. The scholars of the department of Botany were felicitated by Dr. Romily Margaret Mendez and those from the Department of Home Science were felicitated by Dr. Thara Sebastian. The Ph. D. awardees who were honoured and given certificates are
