

MINUTES OF THE PG BOARD OF STUDIES

TIME : 2 P.M

VENUE : DEPT. OF ZOOLOGY

DATE : 16.12.14

MEMBERS PRESENT

1. DR. RIEHA KURIADURU
2. BMT: GLADYS FRANCIS
3. DR. MEERA SAN ABRAHAM.
4. DR. SUSA LOUIS

~~R. KURIADURU~~
JK 45

The meeting began with a silent prayer. The HOD welcomed the members. It was decided to invite the same subject experts of the UG board for the PG board also.

As the management encouraged us to start a self financing PG course, it was unanimously decided to choose a ^{M.Sc. Zoology} course which with electve as Molecular Biology. Molecular Biology being the most debated area in science, is gaining more + more importance in the present day. Its scope is an ever widening and it will be an added advantage for students to clear the UG net exam.
