Scholar Support Programme (SSP)

The Government of Kerala had launched the Scholar Support Programme (SSP) in the Government Arts & Science Colleges during 2012-13. It was extended to 27 Aided Arts & Science Colleges during 2013-14. The Programme is being given to all the Aided Arts & Science Colleges in 2014-15.

The Scholar Support Programme aims at imparting personalized additional support to needy students through Tutorials, study materials, additional lectures, question banks and interactive sessions, formation of Quality circles in colleges for the programme, dissemination of classes through Personal and Web based modes etc.

The Directorate of Collegiate Education is implementing the Programme. Funds are allotted to colleges for the implementation of the Programme for 50 selected students of the College. The Programme for 2018-19 is to be completed by 31st March 2019 as per the Guidelines issued in this regard.

The students have to be made aware of the Programme and applications invited from them and selection done by the college. The candidates selected under the Programme must be from the first year of the Under Graduate Programme. Students who are having less than 60% aggregate marks in the qualifying examination and who need some additional support in identified subjects alone are to be included in the Programme. If it is not possible to identify such students, students having the lowest percentage of marks in the qualifying examination from among the applicants may be selected.

Classes are to be engaged by the faculty of the College itself. The Programme should have a college level coordinator. The College Council should function as a Monitoring Committee for the Programme and should meet once in two months at least to evaluate the Progress of the Programme.

Detailed Guidelines for the conduct of the Programme during 2018-19 will be issued latter. Furnish the details in **Proforma I and II and send through (No hard copy required) newinitiativesdce2018@gmail.com at 5 pm on or before 06/07/2018 for sanctioning the fund so that the programme can be initiated at the earliest (JULY).**
