Honesty store

The "Honesty Store", an initiative by the Jesus Youth of St. Teresa's College was inaugurated by Sr. Ashritha, the Librarian and Dr. Beena Job, Head of the Department of English. The Honesty Store was set in front of the College Office on 4 July, 2018 at 11:30 a.m. The primary aim of this step is to inculcate honesty in the mind of students and thereby making it one of their personal core values.

The feature of the Honesty Store is that there will be no volunteers to supervise the sale. Box for payment is placed beside the items which has a fixed price attached to it. Students are free to purchase the items and leave the money in these boxes. The items for sale ranges from stationary to glass sets, retro film CDs, clothes and second hand books.

The products for sale are collected from the students of the college. The money earned through the initiative is used for charity such as giving Christmas gifts for kids in orphanages, old age home visits and also for different activities of Jesus Youth that stretches into various ministries.
