## **Feedback And Suggestions:**

+ Attendance is the main issues faced by the students. Students were forced to attend programs conducted by the college such as holy retreat, sports day, and other programs . Other wise attendance were cutoff. Class rooms are very small, cozy and unhygienic. Need more spacious class room and dressing room. Want more toilet facilities in block E. Water filter is not clean. Students portal is blocked for some students students who have fee due. Students who have fee due is not allowed to open exam result. Course fee is too expensive and haven't getting any such facilities related to the course. Grace mark was not added at the right time. Class rooms were not clean and have no basic facilities needed. Infrastructure need to be improved. Cleanliness is very poor.

+ College authority is very much strict towards students and because of that we cannot enjoy our college life. We need 5 class hours. We don't need zero hours. We'll be more comfortable if we are allowed to bring mobile phones to college. We are comfortable in all other things. Also I'm so proud for being a student here.

+ Classrooms are congested. No enough chair for students. Very hot no air circulation. Uncomfortable seats . Would be comfortable to have individual seats . 5 girls have to sit in a Bench. There's no fan in one row and it gets hot and cannot concentrate in class. Sleepy environment

+ LEARNING SHOULD BE BEYOND CLASSROOM WALLS.THERE IS NO GREEN ENVIRONMENT,EG ;TREES ATLEAST ONE SHOULD BE PLANTED INSTEAD OF GARDEN. THERE IS NO SUFFICIENT SPACE FOR SITTING OUTSIDE THE CLASSROOM.LIBRARY SHOULD BE MORE STUDENT FRIENDLY. COLLEGE CANTEENS SHOULD BE FRIENDLY TO STUDENTS. SOME STAFFS HAVE BAD BEHAVIOUR TOWARDS STUDENTS.

+ If the zero hours are not there we could use that time for doing part time jobs or for preparation of competitive exam for our higher studies.

+ There are no adequate toilets present inside the campus. Interval time is too short, we can't manage to use toilets due to lack of time.

+ for pg students more days are required to comple te the studies for exams. so ple give more study leaves or breaks between exams

+ This college is good in promoting extracurricular activities but the academic side is a bit weak. It can be improved by revising the syllabus.

+ Try to give more spacious class rooms for the needy. Improve the cleanliness of toilets. Improve the overall neatness and facilities of block E.

+ The toilets are in a bad condition. Most of the toilets are leaked and have a poor drainage. Lack of cupboards to keep books safely.

+ WE NEED A PROPER LISTENING AMENITIES TO LEARN FRENCH. WE ARE GETTING MOCKING COMMENTS FROM OTHER FRENCH KNOWING PEOPLE ABOUT OUR PRONUNCIATION.

+ Facilities needed to be improved. More washrooms to be constructed, with proper sanitization. Better classrooms for E Block students required. Labs required.

+ Conduct more exams, like once in a week, so that students can cover up the taken portions quickly.

+ Need of more toilets.... extension of elicum to accommodate students...add indoor plans...class room infrastructure should be improved

+ Give freedom to students, allow mobile phones after the class hours, please provide freedom,avoid unnecessary strict ness

+ Need to improve the facilities for self financing students as they pay more than the others.

+ Classes could be more interactive ,then students will be able to express their thoughts

+ Need to improve the ovrall neatness and facilities in E block Toilet cleanliness

+ please stop implementing more school rules its a college. give us our space.

+ While improvising syllabus , avoid unnecessary topics that are not relevant to the subject

+ Chair and desks along with basic condition for class(light and electricity) should be upgraded.
