MINISTRY STRENGTHENING PROGRAMMES

This year emphasis was given to the ministry strengthening and leadership training programs. A meeting was held at the arts block Room No 5 to strengthen different ministries on June 11th 2015. The God has instilled precious gifts within us that can be termed 'Talents'. These talents when put into use for the kingdom of God, will turn out to be the mediums of Evangelization. There are six ministries and the Coordinators for each ministries are:

- Music Ministry
- Creative ministry
- Mobilization Ministry
- Intercession Ministry
- Outreach Ministry
- Audio- Visual Ministry

In the meeting core team decided to organize training programs and to strengthen various ministries.

JESUS YOUTH BUD GROUPS

Personal attention was given to all JY members by dividing them into small groups called bud groups and thereby sending assurances of hope and consolation during the desperate and isolated times of covid. On May 31st, 2020 Jesus Youth all over the world was celebrating their commitment and recommitment day, thirty students from our college took commitment to the Jesus Youth Movement and four students took their recommitment, which was a great Blessing of God.

THEME BASED PRAYER AND FELLOWSHIP GATHERINGS

Theme based fellowship gatherings was conducted every week on Sundays at 3pm. Students were invited with creative and attractive posters. Competitions such as “Chilath ready aakum, chilath ready aakulaa”, a quiz on the Church and Bible, “churulazhiyunna rahasyanghal”, a paragraph writing on contemplating any mysteries of the rosary in the month of October were also conducted. Social media such as WhatsApp groups and Instagram account were also made active by giving daily tasks, bible quotes and challenges especially as a part of 25 days Christmas preparations called “Feliz Navidad”. Daily quiz were also conducted during these days and the winners were appreciated.
