**Subject: - Status of B.Voc as equivalent to other degree courses.**

Sir,

A point has been raised in some quarters regarding the equivalence of B.Voc course with that of B.Sc., BCA and other regular degree courses. In this regard, it may be clarified to all the Universities and recruiting organizations that the status of B.Voc is equal to that of a regular degree since it is approved by the respective Universities.

2. The recruiting agencies coming for campus recruitments may be advised to consider B.Voc as an academic qualification equivalent to B.Sc, BCA and other degree courses. The selection of the candidate would, in any case, depend on his/her performance as per the skill requirement of the recruiting organization.

Yours faithfully,
