

St. Teresa's College (Autonomous)

SC / ST Monitoring Cell -Report of Activities: 2021-22

Teacher's In -Charge:

1. Dr. Usha Nair
2. Dr. Priya Parvathi Ameena Jose
3. Dr. Leela P.U

Student Representative :

Ms. Nikhitha Susan Nelson

Activities:

The SC/ST Cell of St.Teresa's College (Autonomous) functions to facilitate the academic upliftment of students.

The Cell with the help of College IQAC **prepared a comprehensive quantitative data of SC/ST students**. All the information regarding the students admitted for each programme and the dropouts were quantified.

On 17th June 2021, the Cell **provided guidance regarding Central and state governments sponsored foreign studies and scholarship facilities** that can be availed by SC/ST students.

On 11th January SC/ST Cell **Ms. Nikhitha Susan Nelson** was Nominated as a member of the College Union.

On January 11th 2022, a **Scholarship help desk was set up** by the Cell. Documents of students were verified to facilitate grant of scholarships to students whose names were forwarded by M. G. University. The list had names of 95 students from both SC & ST categories. Monitoring was done to make sure each student had submitted the needful documents and that the students' bank account was a savings account. Efforts were taken to ensure that the phone number linked to the bank account was their personal number to avoid discrepancies.

To instil entrepreneurship in students a **hands on training programme in the blended mode** were arranged in the months of January & February 2022. SC students were given training in making of Digital thermometer while ST students were trained in making of Solar lantern & LED bulb. This was organised in association with Centre of Materials for Electronics Technology, Thrissur, State Directorate of SC/ST Development and IHRD Ernakulam Regional Centre. 19 SC students and 6 ST students successfully completed this programme and received their certificates.

ST. TERESA'S COLLEGE
(AUTONOMOUS), ERNAKULAM
(College with Potential for Excellence- UGC
NAAC A++ CGPA 3.57, NIRF ranking 2021- 45)
