Core meetings are held every week without fail through online platforms like Google meet or zoom since March. Executive meetings are held every month with our teacher- in -charge Ms. Georgia, to decide on our activities of each month. Theme based fellowship gatherings are conducted on every Sundays at 3pm. Few of our main themes include Holy Sacraments, power of the Word of God, God-encounters, Devotion to Mother Mary etc. Students are invited using attractive posters and write-ups. Once in every month, adoration or talks are conducted. All the students and faculty members are invited to the same.

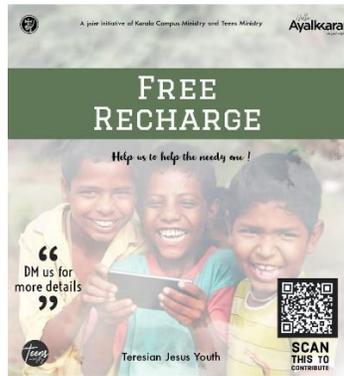

Students were divided into various ministries of our Jesus Youth according to their charism and will, to give opportunities for the students to use their skills and talents for the glory of God and to lead others to Him. Our ministries include intercession ministry, music ministry, creative ministry, media ministry and mobilization ministry, with two ministry heads in each. Mobilization was carried out and personal attention was given to students by dividing them into small groups lead by core members.

Our activities began with an initiative conducted in March, called 'Neethimante Vazhikal', short meditations on the virtues and miracles of St. Joseph. Holy week meditations and adorations added grace in the month of April. Various Marian competitions were held in the month of May, in which many JY members participated. Social media was also made active, and the winners were announced through Instagram. On May 31st, 2021, Jesus Youth all over the world were renewing their commitment for the movement, 11 students took commitment, and 16

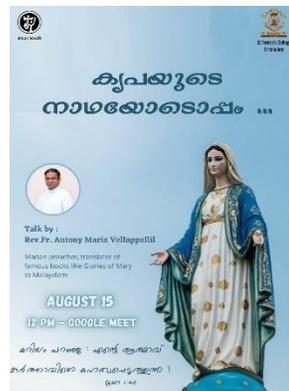

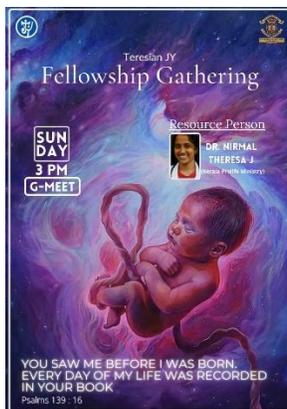

students took recommitment from our college, which was a great blessing from God. Daily tasks and prayers were given in the month of June to celebrate the month of Sacred Heart, through an initiative called 'Living Flame of Love.'

By the grace of God, through an initiative called 'Free Charge' put forward by JY EKM Nalla Ayalkaran Team, we could help around 20 students, who were financially struggling to recharge data to attend online classes. Many students of our college contributed financially to this.

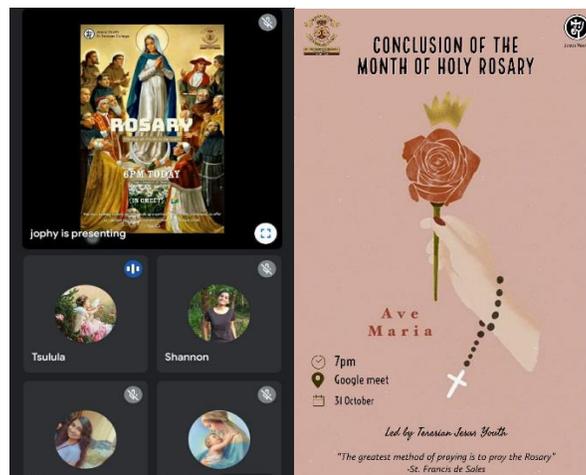

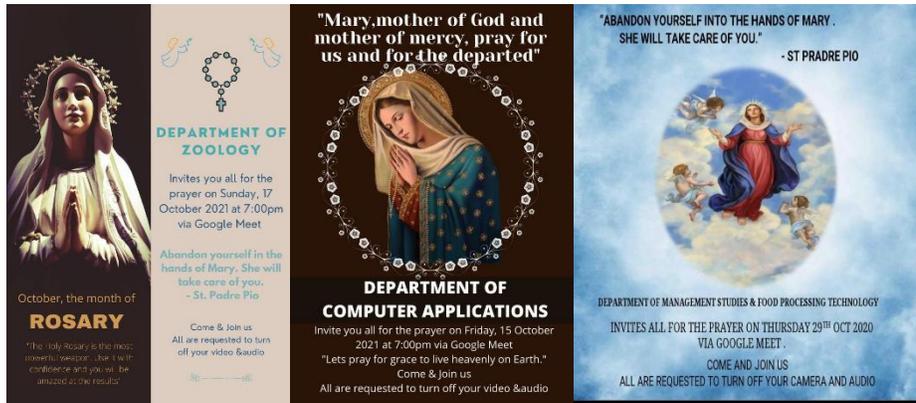

A session on prolife by Dr. Nirmal Therese (Kerala prolife ministry member) was conducted on August 8th. A Marian talk by Fr. Antony Maria Vellapillil, (Marian preacher and translator of world-famous Marian books) was conducted on 15th August, which touched the hearts of many. A new YouTube channel took shape on the same day.

Preparations for the nativity of the Blessed Virgin Mary from 1st to 8th September and chain rosaries added grace to the feast. Our core members participated in the ongoing Core team training lead by

Ernakulam Campus ministry, which was very effective. The month of Rosary was very graceful and memorable as all the departments of our college led the Rosary each day. Teresian JY concluded the celebration at the end of the month.

Jesus youth Team of Arts and Science colleges conducted Campuss Warriors gathering at our college on October 3rd, in which around 60 JY leaders from various colleges participated. The programme began with Holy Mass celebrated by Fr. Joyson Muzhuvanchery, chaplain of Ernakulam campus ministry. Group sessions, praise and worship, games and action songs added colour to the day.

Prayers for departed souls were raised during the month of November. Preparations for the Nativity of our Lord were done in the following month. Release of Christmas carol songs by Teresian JY music ministry added colour to the celebrations. We also recorded the same and released it on Kochi Radio. We could also gather offline for Christmas celebration on 21st of December. Teresian JY creative ministry came out with an initiative of making paper Rosaries with canticle of Mary written on them and gifted them to various churches.

Our intercession team prays for your prayer requests, regularly. May God bless us all.

Thank You.
