2021-2022

Director's Message

Rev. Sr. Dr. Vinitha CSST

It gives me immense pleasure to know that the Department of Commerce is bringing out their newsletter 'Commerce Ripples 2021-22'. The newsletter is a platform where the students can portray their potential for creative expression. This endeavor leaves a mark of the activities and achievements of the department during the academic year. The College offers extensive opportunities which brings out their latent talents and shapes their destiny in the most propitious way. No matter which industry one chooses to work in, a sound understanding of Commerce is invaluable to one's career prospects. The Commerce Department has been instrumental in conducting various activities such as National seminars and Inter-Collegiate competitions and offers various add-on courses along with the regular B.Com and M.Com programmes such as Advanced Excel, ACCA, CMA etc. I highly appreciate the department for bringing out such a stimulating newsletter, and the students for the initiative and enthusiasm in walking the extra mile.

Principal's Message

It is exhilarating to note that the Commerce Department is publishing a Newsletter, highlighting memorable activities of the students and the staff members during the past academic year, as well as sharing your thoughtful ideas and displaying literary, artistic skills. At a time when all the activities including classes were held in online mode, we all missed the exuberant, euphoric ambience of the campus life. All of you were constrained to keep physical and social distancing to be away from the dread of Covid pandemic and to remain safe and healthy. In this backdrop, the Newsletter you are bringing out will be a morale-booster, to remain connected with one another and to vibe with positivity, optimism and synergy. This will, though in a limited edition, help in showcasing your talents, and manifesting your solidarity and resilience to negotiate any emerging challenges of living. May I compliment the Commerce Department - the students and the staff members - for their creativity, innovation and the spirit of togetherness. My best wishes for all the future endeavors of the Department

Dr. Lizzy Mathew
