**COORDINATORS**  
MS RAJI S PILLAI ,HOD, DEPARTMENT OF COMPUTER APPLICATIONS  
MS REMYA CJ ,ASSISTANT PROFESSOR ,DEPARTMENT OF COMPUTER APPLICATIONS  
MS SANGEETHA CHANDRAN ,ASSISTANT PROFESSOR DEPARTMENT OF COMPUTER APPLICATIONS

Department of Computer Applications , ST TERESA'S COLLEGE [Autonomous],Ernakulam

The Department of Computer Applications in St. Teresa's College organized a talk on Placement and Career Guidance – “Choose Your Better Future” for the students of BVoc Software Development on 4th March 2022 at 8:30 am.

The program with a total strength of 46 BVoc students was coordinated by Ms Raji S Pillai, HOD of the Department of Computer Applications, Ms Remya C.J, Assistant Professor, Department of Computer Applications and Ms Sangeetha

Chandran, Assistant Professor, Department of Computer Applications. The session started with a Welcome address by Ms Remya C.J and was led by our speaker for the day Ms. Sangeetha Chandran.

The session was really informative and fruitful. The talk started with emphasizing on the importance of the programme and its scope in the modern IT field. The session also covered the various skills that students must develop in order to secure placements in many of the prestigious companies. The vast research fields and the best Universities in and out of the Country were mentioned in the session. Discussions regarding Patents and Startups were included in the talk which may motivate the innovators and entrepreneurs among the students. Towards the end of the session, every student held each other's hand and took a vow to collectively contribute to 100% placement in the department.

The workshop concluded with vote of thanks by Kavya Nair of Second Year BVoc Software Development and the session came to its end by 10 am.

# Placement and Career Guidance Talk

*“AN EXCLUSIVE DIET TO YOUR DREAM”*

The poster is green and white. At the top left is the St. Teresa's College logo. To its right, the text reads: 'ST. TERESA'S COLLEGE [AUTONOMOUS], ERNAKULAM', 'Affiliated to Mahatma Gandhi University', and 'Re-Accredited by NAAC with A++ Grade (4th Cycle)'. Below this is the 'DEPARTMENT OF COMPUTER APPLICATIONS' in blue. The main title 'Placement and Career Guidance Talk' is in red, followed by the theme '“ An Exclusive DIET to your DREAM ”' in a stylized font. A photo of Ms. Sangeetha Chandran is on the left, with her name and title below it. The event details 'DAY 2 - PLACEMENT ORIENTATION TALK FOR BSc Computer Applications [Triple Main]', 'TIME : 8.30 AM', and '7TH MARCH 2022' are listed. A 'COORDINATORS' section lists Ms. Raji S Pillai, Ms. Remya C.J., and Ms. Sangeetha Chandran. The footer contains the department name and college name.

DAY 2 - PLACEMENT ORIENTATION TALK FOR  
BSc Computer Applications [Triple Main]

TIME : 8.30 AM

7TH MARCH 2022

**COORDINATORS**

MS RAJI S PILLAI ,HOD, DEPARTMENT OF COMPUTER APPLICATIONS  
MS REMYA CJ ,ASSISTANT PROFESSOR ,DEPARTMENT OF  
COMPUTER APPLICATIONS  
MS SANGEETHA CHANDRAN ,ASSISTANT PROFESSOR DEPARTMENT  
OF COMPUTER APPLICATIONS

Department of Computer Applications , ST TERESA'S  
COLLEGE [Autonomous],Ernakulam

The Department of Computer Applications in St. Teresa's College organized a talk on Placement and Career Guidance - “An Exclusive Diet to your Dreams” for the students of BSc Computer Applications Triple Main on 7th March 2022 at 8:30 am.

The program with a total strength of 74 BSc CA students was coordinated by Ms Raji S Pillai, HOD of the Department of Computer Applications, Ms Remya C.J,

Assistant Professor, Department of Computer Applications and Ms Sangeetha Chandran, Assistant Professor, Department of Computer Applications. The session started with a Welcome address by Ms Remya C.J and was led by our speaker for the day Ms. Sangeetha Chandran.

In the Placement and Career orientation talk, the speaker delivered the significance of the Trio - Computer, Mathematics and Statistics; and the opportunities for each field. She also discussed extra tips and hands-on practical examples throughout the session. The job roles of esteemed companies, various research fields and the best Universities in and out of the Country were mentioned in the session. Discussions regarding the skills that students must develop for securing placements was the most valuable part of the session. The speaker also shared the experiences as the Placement

Coordinator of the Department Of Computer Applications.

The workshop was concluded with a vote of thanks by Anjali Suresh and Baladevika Gopi of Second Year BSc CA and the fruitful session came to its end by 10 am.

# GATE 2022 GATE 2022 Scorecard

Graduate Aptitude Test in Engineering

Graduate Aptitude Test in Engineering (GATE)

अभियांत्रिकी स्नातक अभिक्षमता परीक्षा

Name of Candidate	CIS MARIYA JOHNSON	 
Parent's/Guardian's Name	A J JOHNSON	
Registration Number	XL22S67215082	
Date of Birth	04-Nov-1996	
Examination Paper	Life Sciences (XL)	
Section(s)	Biochemistry (Q), Botany (R)	

GATE Score:	372	Marks out of 100:	35		
All India Rank in this paper:	4138	Qualifying Marks*	General	EWS/OBC (NCL)	SC/ST/PwD
Number of Candidates Appeared in this paper:	30336		33.9	30.5	22.5

Valid up to 31<sup>st</sup> March 2025

  
Prof. Ranjan Bhattacharyya  
Organising Chairman, GATE 2022  
on behalf of NCB-GATE, for MoE

3b84a1f665fbd85c7ba5abedfd240243

\* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

Organising Institute: Indian Institute of Technology Kharagpur

## General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$M_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $M_t$

In the GATE 2022 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Geology and Geophysics (GG) Humanities and Social Sciences (XH)	Separate score and ranking provided based on selection of optional section
Architecture and Planning (AR) Geomatics Engineering (GE) Engineering Sciences (XE) Life Sciences (XL)	NO Separate score and ranking provided based on selection of optional section

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

## “Career opportunities after Graduation” 08.07.2021

**Venue : Google meet**

**No: of Beneficiaries/ Participants : 65**

**Beneficiary type : Students and faculty**

**Activity Description (100 - 200 words):** Sr. Bertille Memorial Knowledge Centre, The Department of Chemistry and Centre for Research, St Teresa’s college organised a Career guidance webinar “Career opportunities after Graduation” on 08-07-2021 at 3pm. During the pandemic of the corona, in the field of education, students are been given the right information about their higher studies and careers in various fields. The session was handled by resource person Manoj Palathingal Jose, Education Consultant, Movementor Education. Dr. Shanty A.A., Staff Co-ordinator, officially welcomed everyone and introduced the resource person. The objective of the session was to help the students make right choice of the stream after graduation. Students were encouraged to focus on criteria such as ‘their Interest’, ‘Personality traits’, ‘their Studying Style’ and ‘Personal Values’ which would further strengthen their talents and have a full proof Action Plan for a better future. The speaker then took the students through a wide range of opportunities for a successful career. Sir shared his personal experiences to motivate the students. Ms. Niveditha Ann Mathew, student Co-ordinator of the programme delivered the vote of thanks. The session officially ended at 4:30pm. The webinar was attended by a total of 65 students. In conclusion, the session was truly informative and enriching. Queries raised by students were answered with convincing justifications.

**Outcome of the activity:** The talk was very informative and the students gained a wide range of knowledge on how to proceed with their future.

The poster is a promotional graphic for a webinar. It features a central image of a man in a suit (Manoj Palathingal Jose) and a graphic of a hand pointing to a staircase labeled 'CAREER', 'YOUR', and 'PLAN'. The text is arranged in several sections: a header with the department name, a central announcement, a quote, a list of patrons, organizers, and an organizing committee, and a footer with the date, time, and meet link.

## “Academic counselling” 02.06.2021

**Venue : Google meet**

**No: of Beneficiaries/ Participants : 82**

**Beneficiary type : Students and faculty**

**Activity Description (100 - 200 words):** The department of Chemistry, ST. Teresa’s College, Ernakulum organized a webinar on the topic ‘Academic Counseling’ for the parents and students of III DC Chemistry on 2<sup>nd</sup> June 2021 at 6 P.M. through Google meet platform with the objective to create awareness amongst the parents and students on how to deal with exam stress , degrading mental health due to the pandemic among the youth etc.

The resource person for the webinar was Rev.Sr.Jane CSST (Educator, and Counseling therapist). The convenor of the programme Dr. Annu Raju, faculty member of the college, officially welcomed everyone and introduced the recourse person. The Resource person then took over and started the online session. She indeed gave deep insights into the topic. She talked

in detail about the deteriorating mental health of the students due the stress caused by the pandemic. Her ideas / inputs on how to study during online classes were insightful and were of great help which can be inculcated by students in future studies. She also talked in detail about useful ways of spending time during lockdown days. The students as well as their parents found the session very useful. The session ended with a round of discussion. Vote of thanks was then proposed by Ms. Alina Augustin , student convenor of the programme. The session officially ended at 7:30. The webinar was attended by a total of 34 students along with their parents.

**Outcome of the activity:** The talk was very informative and essential for the participants to get an idea on the impact of COVID-19 for Environmental sustainability.

**CHIEF PATRONS:**  
 Rev. Dr. Sr. Vinitha, CSST  
 (Provincial Superior & Manager)  
 Dr. Lizzy Mathew  
 (Principal)

**ORGANIZERS:**  
 Dr. Annu Raju (Convenor)  
 Ms. Alina Augustine (Student Co-ordinator)

**ORGANIZING COMMITTEE:**  
 Dr. Jaya T. Varkey (HOD)  
 Dr. Ushamani M.  
 Dr. Saritha Chandran A.  
 Dr. Elizabeth Kuruville  
 Smt. Nimya Ann Mathews  
 Smt. Anu Susan Cherian  
 Dr. Nisha N.  
 Dr. Shanty A. A.

### **Webinar on career opportunities in Chemistry”**

**22.10.2021**

**Venue : Google meet**

**No: of Beneficiaries/ Participants : 94**

**Beneficiary type : Students and faculty**

**Activity Description (100 - 200 words):** The chemistry association for the year 2021-22 was inaugurated on 22.10.2021 by Prof. Kuruvilla Joseph, PhD, FRSC, Outstanding Professor and Dean (SA, SW and OR), Indian Institute of Space Science and Technology, Department of Space, Government of India, Thiruvananthapuram, Kerala. The objective of the program was to create awareness amongst students on the various career opportunities in Chemistry available after their BSc/MSc Chemistry courses.

**Outcome of the activity:** The speaker’s sparkling words ignited the minds of students towards the domain of research. The talk helped the students to achieve excellent career for their bright future.

22 OCT 2021 - 4 PM  
VENUE: GOOGLE MEET

## Orientation For CSIR-UGC-NET Examination in Chemistry

20.11.2021

**Venue : Google meet**

**No: of Beneficiaries/ Participants : 31**

**Beneficiary type : PG students**

**Activity Description (100 - 200 words):** The classes started on 20-11-2021. Dr. Divya Mathew MSc, BEd, SET, PhD, CSIR-JRF -56TH RANK(HOLDER OF 3 JRFS), from the coaching centre 'THANMATHRA' was the resource person. The objective of the program was to give an orientation for MSc Chemistry students (I and II year) to clear the UGC-NET examination. The beneficiaries were PG students of the Chemistry Department. The resource person introduced the students to the field of competitive examinations. The topics covered were Coordination Chemistry and Organic spectroscopy. Problem solving sessions and explanatory classes were taken by the resource person.

**Outcome of the activity:** The students were prepared to write the UGC-NET examination.

# GATE 2022 GATE 2022 Scorecard

Graduate Aptitude Test in Engineering

Graduate Aptitude Test in Engineering (GATE)

अभियांत्रिकी स्नातक अभिक्षमता परीक्षा

Name of Candidate	VIDHYA JITHESH	
Parent's/Guardian's Name	JITHESH S R	
Registration Number	XL22S67201490	
Date of Birth	05-May-2001	
Examination Paper	Life Sciences (XL)	
Section(s)	Botany (R), Zoology (T)	

GATE Score:	365	Marks out of 100:	34.67		
All India Rank in this paper:	4349	Qualifying Marks*	General	EWS/OBC (NCL)	SC/ST/PwD
Number of Candidates Appeared in this paper:	30336		33.9	30.5	22.5

Valid up to 31<sup>st</sup> March 2025

  
Prof. Ranjan Bhattacharyya  
Organising Chairman, GATE 2022  
on behalf of NCB-GATE, for MoE

48bf0aad1d793a632a9777c98682b04d

\* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

Organising Institute: Indian Institute of Technology Kharagpur

## General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,  
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard  
M<sub>q</sub> is the qualifying marks for general category candidate in the paper  
M<sub>t</sub> is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)  
S<sub>q</sub> = 350, is the score assigned to M<sub>q</sub>  
S<sub>t</sub> = 900, is the score assigned to M<sub>t</sub>

In the GATE 2022 score formula, M<sub>q</sub> is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Geology and Geophysics (GG) Humanities and Social Sciences (XH)	Separate score and ranking provided based on selection of optional section
Architecture and Planning (AR) Geomatics Engineering (GE) Engineering Sciences (XE) Life Sciences (XL)	NO Separate score and ranking provided based on selection of optional section

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

## General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,  
**M** is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard  
**M<sub>q</sub>** is the qualifying marks for general category candidate in the paper  
**M<sub>t</sub>** is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)  
**S<sub>q</sub>** = 350, is the score assigned to **M<sub>q</sub>**  
**S<sub>t</sub>** = 900, is the score assigned to **M<sub>t</sub>**

In the GATE 2022 score formula, **M<sub>q</sub>** is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Geology and Geophysics (GG) Humanities and Social Sciences (XH)	Separate score and ranking provided based on selection of optional section
Architecture and Planning (AR) Geomatics Engineering (GE) Engineering Sciences (XE) Life Sciences (XL)	NO Separate score and ranking provided based on selection of optional section

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.
