Celebrating 100 years of Excellence

As St. Teresa's College gracefully approaches its centenary milestone in 2025, we celebrate the visionary legacy of our revered foundress, Mother Teresa of St. Rose of Lima. Her profound vision to empower women through education has not only endured but has evolved into a trailblazing force in the realm of women's empowerment. Our commitment extends beyond academic excellence, encompassing vibrant research initiatives, co-curricular achievements, and impactful community outreach programmes. As we honour our roots, we proudly stand as a beacon of empowerment, forging a path of distinction in education and beyond.
