## DIPLOMA IN COMPUTER APPLICATION

The Diploma in Computer Application (DCA) conducted by Centre for Continuing Education Kerala is a government-approved course designed to provide basic computer knowledge and practical skills. The course covers topics such as MS Office, Internet, Linux, Malayalam computing, and computer fundamentals. It is suitable for students, job seekers, and working professionals who want to improve their computer skills for government and private sector jobs.

### Kerala PSC Recognition!!!

Since the DCA course program of CCEK is recognized by the Kerala PSC, students preparing for government jobs can ensure better career security by completing this course and improve their chances of getting employment easily in the respective field.

As this course is conducted through various Continuing Education sub-centres across Kerala, students can take admission in colleges near their locality where they wish to study and obtain a Kerala Government certificate.

### Certification By
